Snapshot:

Licensed ELA Educator with 7 years of experience delivering advanced English Language Arts instruction in South Korea. Well-versed in navigating rigorous curriculum demands, including parliamentary debate, literary analysis, and academic writing for K-9 students. Currently completing an M.Ed. in Advanced Teaching to bridge practical classroom experience with current pedagogical research, and seeking to transition these proven teaching skills into a collaborative international school environment.

Teaching experience:

English Language Arts & ESL Teacher (Nov 2019-present)

1. JLS Academy (K - 9th Grade): Sejong, South Korea (Nov 2019 - June 2023)
 - Taught English language arts and ESL courses for students from kindergarten through Grade 9.
 - Developed classroom management systems that promoted student engagement and positive behavior.

2. Coram Deo English Education (K - 9th Grade): Gangil-dong, Seoul (June 2023 - June 2024)

- Delivered an American-based curriculum focused on reading, writing, speaking, and critical thinking.
- Collaborated with colleagues to refine and improve curriculum materials.
- Implemented project-based learning experiences to promote creativity and student engagement.

3. PEA-I Academy (7th-9th grade Debate, Novel, and Writing): Seocho, Seoul (July 2024 - February 2025)

- Designed and delivered instruction in parliamentary debate, literature analysis, and academic writing for middle school students.
- Facilitated evidence-based discussions and argumentation activities.
- Conducted parent-teacher conferences and communicated student progress with families.

4. CLC Academy, Gwacheon (March 2025 - Oct 2025)

- Delivered an American-based curriculum to kindergarten and elementary students.
- Taught reading comprehension, grammar, writing, and communication skills through structured, age-appropriate lessons.
- Collaborated with colleagues to plan and deliver school-wide events, including field trips and Olympic Games Day activities.
- Provided clear, scaffolded instruction to support diverse learners and promote student success.

5. Twinkle English Academy (1st - 4th Grade ELA literacy)

- Designed and delivered rigorous English Language Arts instruction focused on literary analysis, essay writing, and critical thinking.
- Led novel studies, writing workshops, and discussion-based lessons.
- Developed project-based learning experiences that promoted engagement and analytical thinking.
