SKILLS

- Classroom Engagement
- Close Reading Instruction
- Project-based Learning
- Literacy Development
- Academic Writing
- Creative Writing
- Inquiry-based Discussion

My Philosophy

● Meaningfulness is key.

I consider the most important part of helping students develop is through meaningful and accessible lessons.

Clear structure, stable environments, routinely pleasant class room experiences, and fun projects all contribute towards leading the classes I enjoy.

I believe delivering content with enthusiasm, curiosity, and inquiry make classes memorable.

Experience

● JLS Academy (K - 9th Grade): Sejong, South Korea

- Developed foundational skills like classroom management, engaging content delivery, and student rapport

2019 - 2023

● Coram Deo English Education (K - 9th Grade):

Gangil-dong, Seoul

- Developed strong relationships and collaboration with administrators and management
- Contributed to curriculum development
- Learned important Project-based learning routines

2023 - 2024

● PEA-I Academy (7th-9th grade Debate, Novel, and Writing): Seocho, Seoul

2024 - 2025

● CLC Kindergarten, Gwacheon

March 2025 - Oct 2025

● Twinkle English Academy (1st - 4th Grade ELA literacy)

- Strengthened creative and academic writing through structured lessons
- Developed Project-based Learning experiences that promoted engagement and literary analysis

Dec 2025 - Present
